Honorable Frank C. Carlucci
Deputy Secretary of Defense
The Pentagon
Washington, D.C. 20301

01 APR 1982

Dear Frank:

I appreciated receiving your note concerning the contribution of former Deputy Attorney General Renfrew and others to the effort which recently culminated in Senate passage of the Intelligence Identities Protection Act. We certainly will attempt to include people like Renfrew and Dan Silver in the signing ceremony or whatever event we hold to mark the signing of the Bill.

My staff people have informed me that you neglected to mention your own contribution, which I know was considerable. You were the Agency's lead witness on the Bill throughout many hearings in 1980, and you did an outstanding job in laying the groundwork for the congressional action which has just taken place.

We will be making more definite plans for a commemorative event as soon as the Bill emerges from Conference. I hope that you will be able to participate.

Sincerely,

/s/ [Signature]

William J. Casey
Director of Central Intelligence
